3. Sharing Your Information With Third Parties

We may use third parties to help us operate our business or the Site and administer activities or competitions on our behalf, and may share your personally identifiable information with these contractors for those limited purposes. Any data and information that you volunteer or that is otherwise collected on the Site in any one country may be sent electronically to a server for one of these sites in another country. Such servers or other types of data processing facilities may be located within or outside the European Economic Area or third countries that are regarded by the EU Commission as featuring an adequate level of data protection. However, we safeguard your privacy interests around the world by ensuring that the Site adheres to our data protection principles described in this statement. We may also use may use the information internationally in order to provide services to you, to help improve our services, and to send you commercial e-mail messages.

We may use non-personally identifiable information and aggregate information for internal purposes and to help us interact with Site users. We may also share it with third parties to illustrate trends and patterns, such as Google Analytics that collect, monitor and analyze this type of information.

Please note that once we share your personal information with a third party, the information received by the third party becomes subject to the third party's privacy policy.

If we are sold to or merge with another company, or if we declare bankruptcy, some or all of the information collected from you may be transferred to a third party as a result of the transfer of assets. We may also disclose your information when we determine it is necessary to comply with applicable laws or to protect our interests and safety and those of other visitors to the Site.

4. Social Log-In

In order to simplify our registration and login process, we provide you with the option to register or login and link your account on the Site with a third-party social networking service, such as Facebook, Google and Linked In (each a "**Social Networking Service**"). These services will authenticate your identity, will allow you to log into the Services using the single social login buttons, and will share certain personal information that you allow us to collect, as discussed below.

If you choose to register or login to the Services through a Social Networking Service, we will access your data on the Social Networking Service to create an account. In addition, we may use this data for several purposes, including but limited to populating your account, personalizing the Filmaka Services and aggregate reporting.

You may disconnect from a linked Social Networking Service at any time by visiting the “Edit My Profile” section of the Site.

We will not share any information about you collected on the Services with a linked Social Networking Service without your approval. This means that we will not post anything to your Facebook wall or Google account unless you give us specific permission to do so, and we will not contact your friends or followers at any time. We do not store or utilize the names of your friends or followers even if they are passed to us by a social sign-on service in the initial registration process.

Social Networking Services provide varying levels of control over the extent to which content or information you submit to the Services is also made public and shared on linked Social Networking Services. When you use a Social Networking Service to log into the Filmaka Services, you share your information with it and its privacy policy applies to the Social Networking Service's collection, use, and disclosure of such information. In addition, the Social Networking Service may be able to collect information about you, including your activity on the Services, and it may notify your connections on the Social Networking Service about your use of the Filmaka Services, such services may also employ unique identifiers which allow your activity to be monitored across multiple websites for purposes of delivering targeted advertising to you.

Please note that the privacy policies and terms of use of linked Social Networking Services may be different from our own and we encourage you to read them. We also encourage you to familiarize yourself with the privacy controls and account settings on linked Social Networking Services for information on how to customize your privacy settings with respect to content or information submitted to the Services.

5. Security

User personal information is only accessible by a limited number of employees who have special access rights to such systems. Any personal information you supply us is transmitted via Secure Socket Layer technology ("SSL") and then stored in our databases to be accessed only as stated above. Protecting your privacy is important to us. We use industry standard technology to protect the security of your information. Unfortunately, no transmission can be guaranteed to be 100% secure. As a result, while we are committed to protecting your information, we cannot ensure or warrant the security of any information you transmit to us.

6. Links

The Site may contain links to other websites, including those of advertisers or other third parties whose trademarks may appear on the Site. This Privacy Policy does not address, and we are not responsible for, the privacy, information or other practices of any third party, including any third party operating any site or service to which the Filmaka Services link. The inclusion of a link on the Services does not imply our endorsement of the linked site or service. In addition, we are not responsible for the information collection, use, disclosure or security policies and practices of other organizations, such as Facebook, Apple, Google, Microsoft, RIM or any other app developer, app provider, social media platform provider, operating system provider, wireless service provider or device manufacturer.

7. Community Functions

The Site may make content, comments, votes, reviews and questions, personal profile pages, and other community functions available to its registered users and/or members. Remember that any information that you disclose in these areas becomes public information and may be viewed by others. Please exercise caution when deciding to disclose your personal, financial or other information. You should use such community functions at your own risk.

8. Email Messaging

The Site may make email messaging available on the Site to its registered users and/or members. Although the contents of email messages are directed to specific people, the information can be shared with others. Please exercise caution when deciding to disclose your personal, financial or other information. You should use such personal messaging at your own risk.

9. Refer a Friend

The Site offers you the opportunity to easily notify a friend about the Site. If you choose to use our referral service to tell a friend about Site, we will ask you for your friend's personally identifiable information, including name and email address. We will automatically send your friend a one-time email inviting him or her to visit the Site. We store this information for the sole purpose of sending this one-time email and tracking the success of our referral program. Your friend may contact us at info@filmaka.com to request that we remove this information from our database. Our one-time email to your friend will inform him or her of this fact.

10. How to Access or Correct Information

You may edit your information at any time. You may also remove your account from the Site if you no longer wish to be registered on the Site.

11. Changes To The Privacy Policy

From time to time, we may change this privacy policy to accommodate new technologies, industry practices, regulatory requirements or for other purposes. We will provide notice to you if these changes are material, and where required by law, obtain your consent either through an e-mail or a prominent posting on this Site. Your continued use of the Site after the revised version is made available constitutes your agreement to the revision.

12. California – Your Privacy Rights

If you are California resident, California Code Section 1798.83 permits you to request information regarding the disclosure of your personal information to third parties for the third parties' direct marketing purposes. To make such a request, please contact us via the e-mail address below.
